

## Skol Nansledan is an Eco School

Our Eco Warriors have now set up our central recycling station and we are carrying out our first waste audit this Thursday.

As part of our drive to Reduce, Reuse, Recycle, we will be collecting crisp packets to be taken to our nearest public drop-off location. In the run up to Christmas, we will also be collecting used stamps to send off to the RNIB

We want to update you on plans for a Nansledan School Nursery. Please take a look at the letter available on our website today.

### Traffic and traffic lights

We have received some reports that there has been some inconsiderate driving with regards to the traffic lights outside of school. Please be aware that if you 'tag' on the end of a stream of traffic this can cause problems as in some cases the lights have already changed to green and this does not allow the traffic through.

### Christmas Jumpers & Christmas Dinner

We are having Christmas Dinner together on 18.12.19 and are inviting the children to come to school in school uniform but with a Christmas Jumper and festive head accessories as part of the celebration.
