31st October 2019 - Y4 Assembly

Our visit to the Eco Conference in Greater Torrington

We visited Greater Torrington Secondary School, in Devon for the conference.

There were indoor and outdoor activities to take part in to help us learn about recycling and looking after the environment.

Lottie spoke about one
of the recycling
activities and then
Harry spoke about
renewable energy.

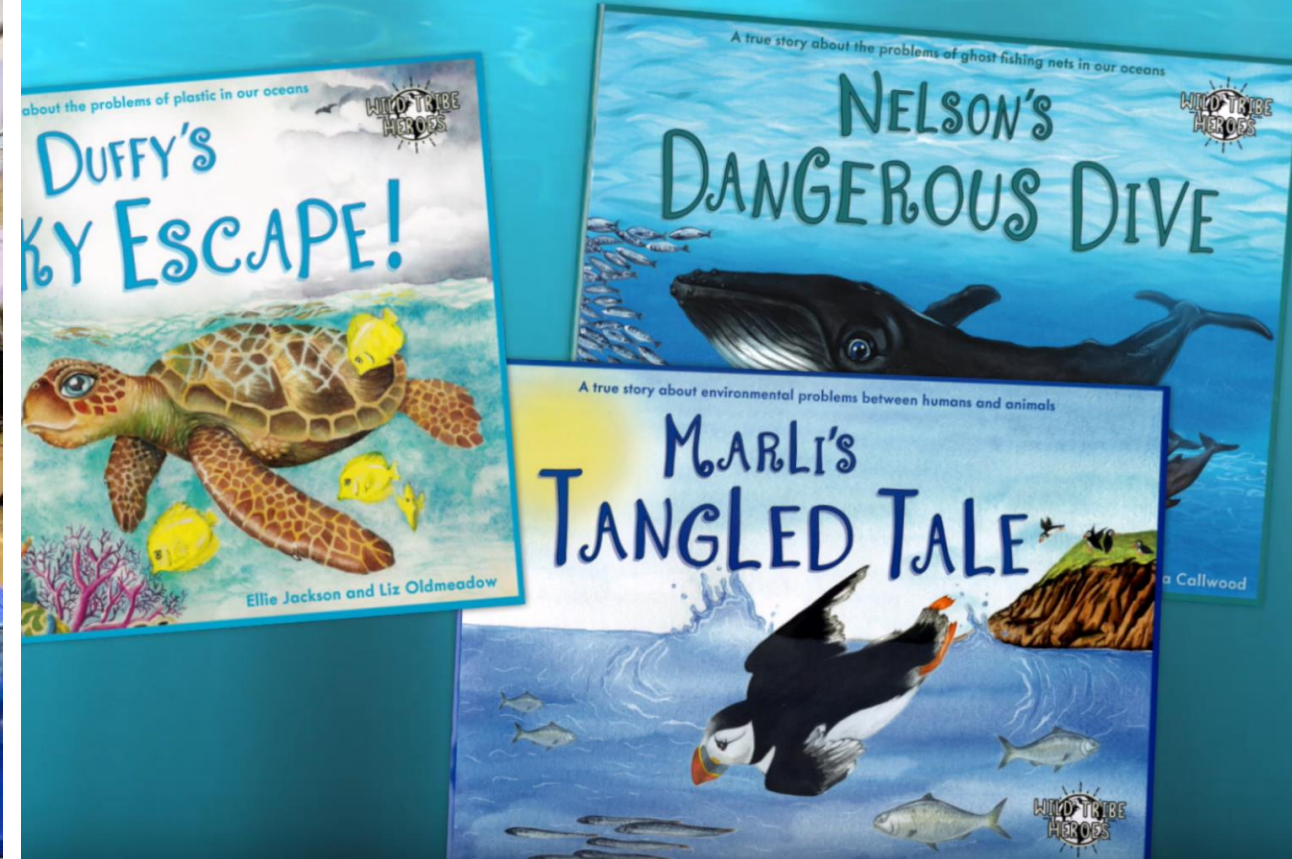

There were lots of activities to help us understand more about dealing with the rubbish we produce and what can and can not be recycled.

How can we get
the energy we
need for
electricity?

Ellie Jackson

Author of the Wild Tribe Heroes books

► Lexie and Lowen spoke about meeting the children's author, Ellie Jackson. They told the rest of the school the importance of us working together to make sure plastics don't end up polluting our oceans.

Promising to take care of our oceans

Seth and Indie told everyone about the promise they made.

Eco Warriors

Recycling &
Environment
Ambassadors

Jaxon and Lottie presented the Recycling Ambassador badges to the Eco Warrior team.

They demonstrated one of the recycling games.

Recycling at Nansledan

Oli shared some of the ideas for ways we can recycle and manage waste at Nansledan.
