

<u>Geography</u> In Geography, children will develop their knowledge about weather and seasons and begin to unpick what climate it. They will explore different climate zones around Earth and understand why we have seasons and why different places experience different seasons at the same time.	<u>Computing</u> In Computing we will learn about how computers have allowed us to connect with others and how they work.	<u>Science</u> We will begin the Y3 learning at the key scientific skills needed throughout this year including observing, fair testing and creating conclusions from tests.	<u>RE</u> In R.E we will focus on the key question 'What does it mean to be a Christian in Britain today?.'	
<u>English</u> We will begin Y3 focusing on key grammatical skills and our confidence to use punctuation correctly within a sentence.  We will read a variety of books in VIPERS including a book specific to our class name and Clean Up by Nathan Bryon.	<div>Our Class book</div> 	<div>Climate Zones</div> <div>Key Question</div> <div>Why does Earth Matter?</div>	<div>Our School Virtue:</div> <div>Aspiration</div> 	<u>Maths</u> We will begin our maths on number and place value, where children will learn to understand and represent numbers up to hundreds. They will become confident to use different manipulatives to show these using a Place Value Chart. We will then begin to add these numbers, building to learning the formal column method.
<u>PE</u> We will begin our KS2 curriculum with mindfulness and ball skills  Within mindfulness we will learn why stretching and breathing is vital for our bodies. Within ball skills we will develop our hand eye coordination and team work. Team work is a crucial skill we will continue to learn all year long.	<u>Music</u> We will complete a unit focusing on our vocabulary knowledge within music, using a song called 'Let your spirit fly'.	<u>PSHE</u> We will begin this year sharing our relationships and what they mean to us personally. We will also focus on our class promise and what these promises mean.  <u>Spanish</u> Children will begin their foreign language lessons by learning how to meet and greet in Spanish.	<u>Design and Technology</u>  In D.T, we will look at the food grown seasonally and build up our knowledge to cook our own healthy meal. (Hopefully this can be cooked outside!!)	

<b><u>Wow Moment/ Enquiry Day:</u></b> We will begin this new topic, exploring the weather we have in Cornwall and creating solar ovens to cook some tasty food.	<b><u>Fabulous Finish:</u></b> Children will meet a meteorologist before heading behind our green screen to showcase their Geographical knowledge.
<b><u>Enrichment opportunities</u></b> <ul style="list-style-type: none"><li>- Kernow Weather team visit</li><li>- Green screen learning opportunity</li></ul>	
<b><u>Suggested Learning Opportunities at Home:</u></b> <ul style="list-style-type: none"><li>• Explore and discuss Climate at home – look at the homework grid for a variety of suggestions!</li><li>• Continued times table practise, we recommend this through TTRS.</li><li>• Reading 5 times a week for 10 minutes each time.</li><li>• Spelling practice, either online or on paper.</li></ul>
