Dear Parent

Early last year we received a proposal from Aspire Academy Trust, which operates Crowan School, to bring Little Beebles under its management. Over many months we had several meetings with Aspire staff and Miss Harris the Head Teacher. We want to ensure that the excellent work done by our team to provide a happy and safe environment for your children would be maintained and that staff would receive employment guarantees going forward. Some additional services may be available such as full five day opening.

As a Charity, we have always had difficulty in attracting volunteers to participate on the committee and therefore that problem would be resolved as it would no longer be required.

Having considered all the issues we felt that to ensure the future of our Pre-school we should accept the proposal, and this was agreed at the Annual General Meeting held last month to which you were all invited.

Aspire will now have to go through a period of consultation which could take several months. There will be no changes to the service we provide for your children during this period, and we will send updates as necessary throughout the process.
