Date of Issue:

12th October 2021

SCHOOL PHOTOS THIS FRIDAY!

We want to take the opportunity to remind you that individual (and sibling) school photos are being taken this coming Friday during school time. We look forward to seeing their photos!

CAR PARK

Once again we have received reports of irresponsible parking in the staff car park. We want to remind you again that the car park is for staff and disabled parking ONLY. If you have a blue badge please ensure that this is displayed in your window to avoid any unnecessary confusion.

Annual Nasal flu Vaccination programme

A reminder that the flu vaccinations will take place at the school on 20th October. If you would like your child to receive this please follow the link below:

<https://www.kernowimmunisations.co.uk/Forms/Flu>

Please ensure that you enter the full unique school reference code **EE147079**. **Consent is required by midday Monday 18th October**. If you have any problems accessing the form, please call 01872 221105.

Fundraising for a school is never easy, but is especially challenging during a pandemic! We are particularly grateful to Sian, Jill and Kirsty who did an awesome job securing a grant of £450 from The Councillor Community Fund.

The money was used to buy a "Buddy Bench" which was formally presented to the school on Friday 8th October by Louis Gardner, Mayor of Newquay and Newquay Town Councillor for Porth and Tretherras ward, who kindly funded the bench from his Councillor Community Fund.

The bench is manufactured from 100% recycled plastic and is already being used in the playground.

The Friends hope the children are delighted with their new seating area and that many new friendships are made.

Parking & Pick Up Time

Since we reverted back to our normal school day finish time of 3:15pm, traffic congestion and parking difficulties have been a real concern. A number of you have contacted school to pass on your concerns and to ask about whether there are plans to add additional parking.

We have already approached both our Estates team and the Duchy for discussions about how to increase our parking capacity and any plans for increased local parking that could be utilised by parents. None of these changes will happen in the short term but conversations will be ongoing and we will keep you informed.

Staggered pick-up times were brought in as a Covid-19 infection control measure but resulted in a loss of teaching time across school daily. Prior to Covid, our collection time was always 3:15pm for all classes. In the meantime, our school has grown and perhaps a greater proportion of families are now travelling to school by car.

We are now considering changing the format of the school day for pupils in KS1 and EYFS (Reception – Year 2) to explore if it is possible to enable an earlier pick up for these pupils. We will update you in due course.

In the meantime, please know, we will supervise your children safely if you are ever tied up in the traffic. We don't want to add to anyone's stress and will always ensure children are supervised by staff and are well looked after while they wait for you.

Friends of Skol Nansledan
