PHOTO: Our upcoming articles soon to be published in the Summer edition of Nansledan Life magazine. Well done, KS2 pupils!

Please can we remind parents, that although the COVID guidance for the wider community is changing from 17<sup>th</sup> May, nothing will be changing yet within our school grounds at drop off and collection times.

- Masks still need to be worn by all adults (unless exempt)
- Our one-way system remains in place.
- Children and adults are to stick to the paths and not climb the banks or cut across the grass.
- Children must stay with their adult while on school premises.
- Everyone must continue to stick to our staggered drop off and collection timings.

Thank you for your support!

### Road Safety & Dangerous Parking

Road safety concerns have recently been passed on to school and local councillors about dangerous parking on Chapel Road. This is being followed up. We again appeal to parents to avoid parking on Chapel Road as it is endangering our children.

**Class Bubble Update:** From Monday 17<sup>th</sup>, our two Y3/4 classes are returning to a two class bubble as this helps us to deliver our wider curriculum and "Catch Up" interventions across the year group. This is already the case for the two Reception classes and also for the two Y1 classes. This is the bubble structure we had in place back in September 2020.

Thank you for your ongoing support,
