Head of School Message

Firstly, Happy New Year! Thank you for your support in what has been a challenging week as we have adjusted to changes.

I think it is important that we remember why school has had to close and that this is to keep our community safe from the COVID virus.

School will be here throughout the lockdown and will help you in any way we can, you just need to ask. If children need to be in school as parents' jobs are critical to the Covid or Brexit response then there is a place for you if you have no childcare options available to you. We are busy responding to each booking individually.

An important letter about our Remote learning offer is coming out to you today. Whether your child is at home or in school, the offer and content is the same. We have also sent out a survey to establish access to digital devices. Please look out for both of these things.

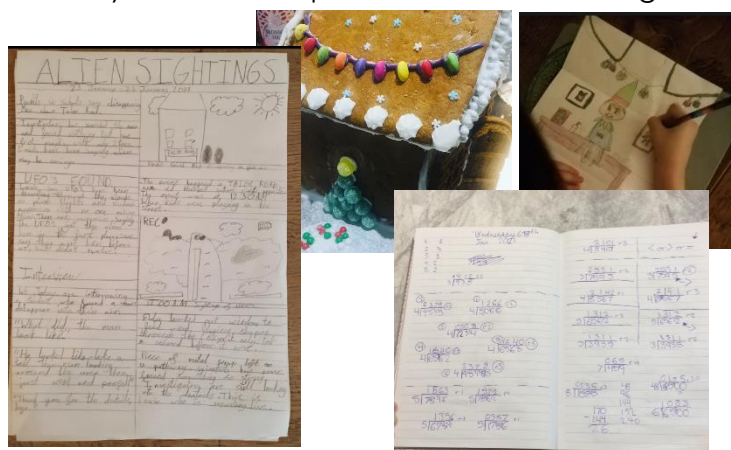

I want to finish by saying how proud I am of our team in school, who with very little notice have got Remote Learning and our Critical Worker/ Vulnerable provision up and running.

Please take care to keep yourselves and others as safe and well.

Don't hesitate to ask if you need any support.

Celebrating Learning

We are really impressed by the activities you shared with us during the school holidays and already this week as part of Remote Learning!

Applying for a September 2021 School Place for a child in Reception

If your child was born between 1 September 2016 and 31 August 2017, you will need to apply for a school place for September 2021. **The deadline is 15 January 2021.**

Skol Nansledan has so much to offer your child and we want you to be fully informed when making this important decision.

As you are unable to visit us in person at this time, why not click on this image to take part in a digital tour? To apply for a place, please follow this link:
