

You will be in **Anning Class**.

Our class is named after Mary Anning.

Miss Wright and Mrs Reskelly will be your class teachers.

All about us!

Hello everyone!

We are both very excited to be your teachers in Anning Class when you move into Year Two this September.

Our class will have a mixture of children from Berners-Lee or Marconi Class in Year One, so we will have activities and time together in the first week of term to get to know each other well. To begin with, you will know some of your classmates already, but there will be other children who will soon become new friends to you.

Throughout the year ahead, Anning Class will work closely with Curie Class and their teacher (Mrs Warren). They are the other Year Two class and will be just next door. We will have shared playtimes with them every day.

We are very much looking forward to getting to know you all. For now, we want to tell you a little bit about ourselves...

Miss Wright

Hi, I am Miss Wright! I already know you very well from either teaching you in Berners-Lee Class or supporting your phonics sessions, lunch times and playtimes while you've been in Year one at Nansledan. I feel very lucky that I will be able to teach you on Mondays, Tuesdays and Wednesdays and help you settle into Year 2, Anning Class.

You will be in **Anning Class**.
