### Y6 Transition

This is not the end to Y6 that any of us could have imagined but we are doing our best to mark this significant transition in the lives of our oldest pupils.

Secondary schools have been liaising with families regarding transition arrangements and events and will continue to do so. At the same time, our Y6 staff team have been busy helping to ensure key information is passed on to the school teams in advance of their transfer.

We are delighted to be able to put on a two-day transition event for our Y6 pupils in the last week of term. Y6 parents will be receiving a letter outlining arrangements and the safety measures we have in place. We can't wait to see our Y6s!

### Staffing News

Following a recent selection process, we are delighted to announce that Mr Mike Pearson has been promoted to an HLTA position commencing in the new academic year. He brings enthusiasm, creativity, knowledge and leadership experience to this role.

We are also welcoming Mrs Sarah Mattock to the team. She will be teaching in one of our KS1 classes from September and will also be joining our keyworker Pod 6 from next week as part of her induction.

This week we have been busy interviewing a large number of applicants for our recently advertised TA roles. We are then due to appoint an additional KS2 class teacher next week from a strong pool of applicants.

I look forward to sharing details of these appointments with you in due course.

### Class Structures & Transition Arrangements

Today we are sending out a letter giving an overview of our current plans for class structures in September.

As we are busy gathering key information necessary for finalising arrangements, you are left waiting and wondering what school will be like for your pupils in September. We will endeavour to provide further updates as soon as we are able to.

Thank you so much for the patience and trust you are demonstrating at this frustrating time of uncertainty.

Thank you for your support,
