

## Working Together

If you are interested in being a part of our future 'Friends of Nansledan' fundraising group, please join me at 4pm on Wednesday 6<sup>th</sup> November for our initial meeting. It will be a chance to share some ideas and get the ball rolling!

Please can we ask that all of you contact the school office directly if you have a query or message to pass on to us, using the office phone number, or email address shown below. Alternatively, please pop in to see us directly as it is always good to talk face to face.

## Traffic Disruption

You will have received notification about the road works on William Hoskins Road which have now commenced. I wanted to pass on our thanks for the care and consideration you showed this morning at drop off time.

This afternoon's pick up is likely to be problematic as both entrance and exit for school is via Chapel Lane. Tomorrow, we will be back to our normal entrance and one-way system despite on-going road works.

## Extra-Curricular Activities

Our after school extra-curricular clubs start up from this Friday. We uploaded a letter about these on Friday 18<sup>th</sup> October including the cost for the block of sessions. Please note that this cost includes the full block of sessions.

You will receive a message through Arbour asking for your registration and payment. Please note that places will be allocated to those who register and pay first.

## KS2 Class News

Today is the first day our Key Stage 2 pupils are operating as two separate classes.

Y3/4 continue to be Trevithick Class and their teacher is Miss Quirk who has been made to feel very welcomed by the children today. She has already been impressed by their kindness, creative thinking and determination to do their best.

Our Y5/6 pupils have now become Johnson Class with Miss Durston as their class teacher. They have moved a little way down the corridor and are settling in well to their new classroom space.

Both Miss Quirk and Miss Durston will be available on Wednesday 6<sup>th</sup> November at 3:15pm to meet parents and carers who may not yet have had the chance to introduce themselves. Please pop up to the classroom to say hello and find out more about the classes.
