Nansledan Autumn Newsletter 1

PHOTO: Enjoying a great book together. Reading books will be sent home in the week commencing Monday 20th September!

Date of Issue:

10th September 2021

Welcome Back!

We have had a wonderful first week back together and it is brilliant to be able to visit the children in their classrooms and see how well they have settled.

Staff and visitors have been impressed by the behaviour, virtues and learning attitudes of pupils in their classes and have enjoyed assigning weekly awards today for children in Y1-Y6. Award winners will be bringing home their certificates today and this will continue weekly on Fridays.

Our Reception children in Jemison and Shackleton have been tremendous! What a very positive start to their school journey! They are off to such a great start!

Covid-19, Self Isolation, Attendance & Face Masks

The new isolation rules are shown below:

"From 16 August, you will not be required to self-isolate if you live in the same household as someone with COVID-19 and any of the following apply:

- you are fully vaccinated
- you are below the age of 18 years, 6 months
- you have taken part in or are currently part of an approved COVID-19 vaccine trial
- you are not able to get vaccinated for medical reasons"

Children and young people aged under 18 years 6 months who usually attend an education or childcare setting and who have been identified as a close contact should continue to attend the setting as normal. They do not need to wear a face covering within the setting, but it is expected and recommended that these are worn when travelling on public or dedicated transport."

Parents, Carers and Visitors, please continue to wear a face mask while on the school site or visiting unless you are exempt for medical reasons. Thank you!

Farewell, Mrs Webster! - It is also the end of a chapter as we say goodbye and good luck to Mrs Webster as she starts her new role in the NHS. We want to say a huge thank you to her for the difference she has made to Nansledan in the two years she has been with us!

Communication - If you have any general administrative queries, please contact the school office via phone or email. If you have queries or concerns relating to your child or their learning, please arrange to speak to your child's class teacher in the first instance (via the office or when you see them face to face). Class teachers will be sharing a Meet the Teacher video and information letter with you at the end of next week which will answer some of the likely questions you may have regarding the term ahead and routines for the coming year.

As Cornwall is currently in enhanced measures due to infection rates, we are scheduling remote parent consultation meetings (Parents Evening) for the start of October (Week 5). Appointment invites will be sent out to each of you via Arbor. These will be Teams video calls or phone calls but please introduce yourself to your child's class team in person if you haven't already done so. The team are looking forward to working with you this year to support your child on their learning and developmental journey.

Kind Regards,

Mrs Vicky Dilnot
