

In September, you will be in **Newton Class**.

The class is named after Sir Isaac Newton.

Miss Flude will be your class teacher.

All about me!

Miss Flude

Hello! I am very excited to be your class teacher in Newton Class in September when you return to school after the summer holidays. I look forward to getting to know you and am very excited about all the brilliant learning activities we will do together when you are in Year One.

I been talking to Mrs Capehorn and Miss Seeley who have told me all about the children in their Reception Classes. From what they have told me, I can tell we are going to have a super year!

Throughout the year ahead, Newton Class will work closely with our Year One friends in Fleming Class and their teacher (Mrs Mattock). They will be just next door and we will have shared playtimes with them every day.

It has been wonderful to meet lots of you already. I can't wait to help you settle into Year 1 as your new teacher. For now, I want to tell you a little bit about myself...

My favourite:

Colour - Turquoise

Animal - Penguins

Story - Here we are by Oliver Jeffers

Beach - Tolcarne

Dislikes:

Food - Gherkins

Animal - Spiders and snakes!

I hope you all have a lovely summer, and I am really looking forward to getting to know you all in September!
