Friday 18th October, 2019

Autumn 2 Extra Curricular Clubs

After Half Term we will be launching after school extra-curricular clubs at Skol Nansledan. Our provision will develop over time as the school grows but we are excited to make a start with a range of activities for pupils who have started school with us in our first term.

We now have an official handover date for our new school hall. This will be Monday 4th November. The school hall will mean we have further possibilities for future clubs, particularly as this also means we have full use of our dance studio without dining tables cluttering up the space. The hall is also going to provide space for indoor sporting activities such as the new mini basketball club.

We plan to use the Arbour App for registration and payment for clubs and this will be set up soon after we return to school on Monday 28th October. Some of you have already contacted us to register an interest and we have made a note of these details in preparation for registration officially opening. You will be sent a message through Arbour asking for registration details and payment (where relevant).

On the next page you will find details of the initial extra-curricular clubs. Please note the change of day for the two cooking clubs which is the result of a KS1 clash with the Friday sports club.

Have a wonderful Half term!

Kind Regards,

Mrs. Vicky Dilnot

Head of School
