

History - Nansledan

EYFS -Understanding the World

Changes within living memory & local history

An event beyond living memory

History Curriculum Road Map^W

Curriculum Summary

In EYFS, history is embedded throughout the year using real life experience and books. Ensuring the ELGs relating to history in the EYFS statutory framework is covered.

In KS1 we teach history alongside our STEAM curriculum. The children will develop their skills in history through the study of thematic units that relate to significant historical events or individuals who changed the course of history.

In KS2 we teach all areas of the NC.. This ensures the key concepts are embedded and a balance of world and British history is taught that deepens understanding of the subject.
