Nansledan Autumn Newsletter 2

PHOTO: Pupils in Y4 & Y5 created fabulous beach sculptures at Carlyon Bay last week using natural materials.

Date of Issue:

21st September 2021

CAR PARK

Please can we ask that parents DO NOT park in the car park. This is for staff, visitors and those who require disabled access only. Can we also remind you that you should be using the footpaths provided and not walk across the car park. On several occasions it has been witnessed that cars have been accessing the car park at speed whilst parents and children have been walking through. Safety is paramount.

Covid-19 – Please Wear Face Mask!

We politely ask that all parents, carers and visitors wear a face mask while on the school site unless you are exempt for medical reasons. This includes at drop off and collection time.

Please help us all keep each other safe.

Thank you!

HEALTH ASSESSMENTS FOR RECEPTION AND Y6

The School Nurse Team are offering health assessments for all reception and Year 6 pupils under the healthy child programme. If this is something you think might be beneficial, please use the link below to complete a parent questionnaire.

<https://www.cornwall.gov.uk/schoolhealthassessments>

Can you help us?

If anyone has any spare matching patio/paving slabs that could do with a new home, please contact the school. We are looking for approximately 2 square meters. Thank you!

Reading at Nansledan

We always link our STEAM curriculum learning to great, high-quality texts and use these within daily English lessons. In addition, your child is supported as they learn to read through our Read Write Inc phonics programme and then Accelerated Reader.

All reading assessments have been completed so your child will be bringing home their carefully matched reading books and information to help you as you provide reading support at home. As always, contact your child's teacher if you have any queries

Private Music Lessons & After School Clubs

Guitar lessons are starting up this Thursday afternoon. We look forward to adding further instruments to our offer in the near future and will update you accordingly.

Miss Humphrey is busy coordinating arrangements for the start of our after school extra-curricular activities and these details will be shared with you soon. You will then be able to sign up through our Arbor booking system.

Thank you for your support,
Mrs Vicky Dilnot
Head of School

COMMUNITY NEWS

SmartMatching

Do you need help to get back into work and learn new skills? Please see below for further information and support?

In partnership with the Cornwall Development Company and the People Hub scheme, we can access European Funding to support anyone over the age of 15, who is not currently employed, for them to access our Smart Skills programme, without any further investment from eligible participants. We have had great success in helping participants to find a role that suits their skills and passions, or to build their confidence to enter further education in courses aligned to a chosen area of future employment.

SmartMatching
